Multi-Track

Multi-Track YRE Advantages

- Increases capacity 33% immediately (4-Tracks)
- Provides both capital and operating savings
- Allows day-time instructional hours to be maintained
- High attendance rates for students
- Does not strain school's core facilities
- Fewer teacher substitute days
- Maximum use of facility for 12 months

Multi-track is the simple stacking of single track calendar creating a school within a school concept.

The school operates 12 months out of the year with at least one track on intersession at any given time

School Capacity of 600

With Multi-Track Year-Round Education (MTYRE)

Four tracks of 200 students

Three Tracks in Session, One Out of Session

Expands Capacity to 800 Students

Only 600 Students in School at any Given Time

Expands School Capacity by 33%

Multi-Track

Four Tracks (45-15, 60-20)School Capacity900Need to Enroll1,200

- **Students divided into four tracks 300 students per track**
- Three tracks always in session 900 students (capacity)
- One track always on vacation 300 students (growth)

Capacity Equation

300 (Vacation)

900 (Capacity) = 33% capacity gain

Multi-Track

Savings

Capital outlay

- Operating costs for administrative and support staff (full-year contract vs. hiring additional staff)
- Utility Costs adding two months vs. nine months year at a new school.
- Economies of scale
- Reduced absenteeism -- staff and students
- Salaried administrators in charge of summer school
- Reductions in numbers of textbooks and desks
- Reduced lease costs -- portables
